

Maths: All about the Number Five

Home Learning Challenges

5

Hidden around the page are 5 balloons. Can you find them all? Can you colour each balloon a different colour? How many colours did you use?

Carefully, draw around your hand on a piece of paper. Point to each finger you have drawn to count them. Can you count your fingers? How many fingers do you have on each hand?

Have a look at a reading book. Can you find the page numbers? Can you find page 5? Can you see the number 5 on this page too? Can you trace over the numbers at the bottom of the page? You could try writing the number 5 on your own too.

Polly Parrot likes eating fruit and vegetables, and tries hard to eat 5 pieces each day. Yesterday, Polly ate an apple, an orange, a banana, a carrot and a tomato. How many things did Polly eat? Did she manage to eat 5? Try drawing a picture to help you.

Carefully, count 5 building bricks from a larger set. Use the 5 bricks to build a tower. Can you use the 5 bricks to build a different model?

Today is Teddy's birthday! He is 5 years old. Can you create a birthday cake for teddy with 5 candles? Maybe, you could ask a grown-up to help you to bake a cake or you could draw or paint a picture of teddy's birthday cake. You could also use some playdough or paper shapes. Make sure you count 5 candles carefully onto your cake creation!
